# **KIDS**

## **Children Writing About the Ocean . . .**

Oysters' balls are called pearls.

– Jimmy, age 6

Dolphins breathe through assholes on  
top of their heads.

– Billy, age 8

My uncle goes out in his boat with a woman, 2  
other men and pots and comes back with crabs.

– Millie, age 6

When I go swimming in the ocean, it is very cold,  
and it makes my 'willy' small.

– Kevin, age 6

My Mom was water skiing very fast when she fell.  
She says she won't do it again because water fired  
right up her big fat ass.

– Julie, age 7

**Annette Peake™**

The Ocean is made up of water and fish.  
Why the fish don't drown, I do not know.

– Bobby, age 6

Teacher:

Josie, can you tell me the name of 3 great kings
who have brought happiness and peace into
people's lives?

Josie answered:

Drin-king, Smo-king, and Fuc-king.

4 yr. old Hunter was staying with his Grandfather.  
He'd been playing outside with the other kids,  
when he came into the house and asked,

"Grandpa, what's that called when two people  
in the same bedroom are sleeping on top of  
each other?"

Grandpa was a little taken aback, but he decided  
to tell the truth. "Well, Hunter, it's called sexual  
intercourse."

"Oh," little Hunter said, "OK" and went back  
outside to play with the other kids.

Moments later he came back in angry and said,

"Grandpa, it's not called *sexual intercourse*, it's called bunk beds and Jimmy's Mom wants to talk to you *now!*"

~~~~~

A little boy went up to his father and asked, "Dad, where did my intelligence come from?"

The father replied,
"Well, son, you must have gotten it from your mother because I still have mine."

~~~~~

One day a little girl looked at her mother and inquisitively asked,  
"Why are some of your hairs white, Mom?"

Her mother replied, "Well, every time that you do something wrong and make me cry or unhappy, one of my hairs turns white."

The little girl thought about this revelation for a while and then said, "Momma, how come ALL of Grandma's hairs are white?"

~~~~~

A 6 year old says to a 4 year old while raking the yard, "You know what? I think it's about time we started cussing."

Annette Peake™

The 4 year old nods his head in approval.

The 6 year old continues, "When we go in for breakfast, I'm going to say something with 'Hell' and you say something with 'Ass'."

The 4 year old agrees with enthusiasm.

When the mother walks into the kitchen and asks the 6 year old what he wants for breakfast, he replies, "Aw, Hell, Mom, I guess I'll have a bowl of cereal."

WHACK!

He flies out of his chair across the kitchen floor and then runs to his room, crying his eyes out. His mother was in hot pursuit, slapping his rear with every step.

She locks him in his room and shouts, "You can stay there until I let you out!"

Angrily she stomps back downstairs, looks at the 4 year old and asks in a stern voice, "And what do YOU want for breakfast, young man?"

"I don't know," he blubbers, "but you can bet your 'Fat Ass' it won't be a bowl of cereal!"

DJ (age 4) stepped onto the bathroom scale and asked, "How much do I cost?"

~~~~~

A little girl and her teacher were talking about Jonah and the whale.

The teacher said it was physically impossible for a whale to swallow a human because its throat was very small.

The little girl said again that Jonah was swallowed by a whale.

Irritated, the teacher reiterated that a whale could not swallow a human; it was physically impossible.

The little girl said, "When I get to heaven I will ask Jonah."

Annette Peake™

The teacher asked, "What if Jonah went to hell?"
The little girl replied, "Then you ask him."

~~~~~

The children had all been photographed and the teacher was trying to persuade each of them to buy a copy of the group picture.

"Just think how nice it'll be to look at when you're all grown up and say, 'There's Jennifer, she's a Lawyer,' or 'that's Michael, he's a Vet.'"

A small voice at the back of the room rang out,  
"And there's the teacher, she's dead."

~~~~~

While heading to the toilet in the middle of the night, a little boy heard noises coming from his parents' room. When he peeked in the keyhole, he saw his mom giving his dad a blow job. Upset, he walked away mumbling to himself, ". . . and she gets pissed at me for sucking my thumb!"

~~~~~

Waiting in a bank line one day, my toddler decided to release some pent-up energy and ran amok. I finally grabbed hold of her after receiving disgusted looks from other patrons.

## Naughties From The Net™ #1

I said if she didn't start behaving 'right now' she would be punished.

To my horror, she gave me a threatening look saying, "If you don't let me go right now, I'll tell Grandma that I saw you kissing Daddy's pee-pee last night!"

The silence was deafening.

I mustered up my last bit of dignity and walked out of the bank with my daughter in tow. The last thing I heard as the door slowly closed behind me, were screams of laughter.

My three-year-old son had a lot of trouble with potty training and I was on him constantly.

One day while enjoying lunch in a busy dining room, I smelled something funny. I checked my infant daughter first and she was clean. Then I realized that Danny hadn't asked to go potty in a while.

So I asked him if he needed to go, and he said "No."

I kept thinking "Oh my, if this child has had an accident, I don't have any clean clothes with me. So I asked again, "Danny, are you sure you didn't have an accident?"

"No," he replied.

I KNEW he must have had an accident because the smell was bad! So, I asked one more time, "Danny did you have an accident?"

"No," he said as he stood up, yanked his pants down, bent over, spread his cheeks and yelled "See Mom, it's just FARTS!"

~~~~~

A teenage boy had just passed his driving test and inquired of his father as to when they could discuss his use of the car.

## Naughties From The Net™ #1

His Dad said he'd make a deal with him. "You bring your grades up from a 'C' to a 'B', study your Bible and get a haircut. Then in 6 weeks we'll talk about the car."

The boy thought for a moment and decided he'd settle for the offer. He shook his Dad's hand confirming their agreement.

6 weeks later his Dad said, "Son, your grades are up, I've observed you studying the Bible but why haven't you had your hair cut yet?"

The boy said, "Well, Dad, I've noticed in my Bible studies that Samson had long hair, John the Baptist had long hair, Moses had long hair, and there's even strong evidence that Jesus had long hair."

His Dad quickly said, "Notice they all walked everywhere they went?"

~~~~~

I ran into a salon; husband and 3 kids in tow and asked loudly, "How much do you charge for a shampoo and blow job?"

My husband never spoke, just followed as I turned and walked out.

~~~~~

## **OLDER PEOPLE**

Silver Surfers can have trouble with computers. I did, so I asked Eric over, the 11 yr. old next door, whose room is like Mission Control.

Eric clicked a couple of buttons and solved the problem.

As he was walking away, I called after him, "So, what was wrong?"

He replied, "It was an 'ID ten T' error."

Not wanting to appear stupid, but nonetheless I inquired, "What's an, 'ID ten T' error in case I need to fix it again?"

Eric grinned, "Never heard of an 'ID ten T' error before?"

"No," I replied.

Write it down," he said, "and I think you'll figure it out."

## Naughties From The Net™ #1

So I wrote down: "ID10T"

I used to like that little bastard Eric.

~~~~~

Three old guys are out walking.

First one says, "Windy, isn't it?"

Second one says, "No, it's Thursday!"

Third one says, "So am I. Let's go get a beer."

~~~~~

A man in North Carolina owned a farm with a large  
swimming pond.

He fixed it up with some picnic tables and planted  
beautiful trees.

One night the farmer decided to go to the pond,  
relax and pick some apples and peaches. He took a  
bucket with him to carry the fruit.

**Annette Peake™**

As he neared the pond, he heard voices shouting and laughing. Coming closer, he saw it was a few young girls skinny-dipping. He made a noise and the girls swam to the deep end to hide.

One girl shouted, "We're not coming out until you leave!"

The man replied, "I didn't come here to watch you ladies swim or make you get out of the pond naked." Holding the bucket up he said, "I'm just here to feed the alligator."

~~~~~

A panicked old woman called 911 saying, "My car stereo, steering wheel, brake pedal and the accelerator are gone!"

The dispatcher said, "Stay calm.
An officer is on the way."

A few minutes later, the officer radios in. "Disregard." He says, "She got in the back-seat by mistake."

~~~~~

A Doctor, addressing a large audience in Orlando said, "What we've eaten for years is killing most of us sitting here. Red meat is awful. Soft drinks corrode your stomach lining. High fat diets can be

disastrous and none of us realizes the long-term harm caused by the germs in our drinking water."

"But there is one food that is the most dangerous of all. If you haven't eaten it, you will. Can anyone here name the food that causes the most grief and suffering for years after eating it..?"

A few seconds later, an old man in the front row softly said,

"Wedding Cake?"

~~~~~

Bob, a 70-year-old, extremely wealthy widower, shows up at the Country Club with a very beautiful and sexy 25 yr. old blonde. She knocked everyone's socks off with her sex appeal and charm.

She hung onto Bob's arm and listened intently to his every word.

His friends at the club were amazed so they cornered him and asked,
"Bob, how did you get the trophy girlfriend?"

Bob replies, "Girlfriend? She's my wife!"

Amazed they ask, "So, how'd you get her to marry you?"

"I lied about my age," Bob replies.

Annette Peake™

“What did you tell her, you were only 50?”

Bob smiles and says, “No, I told her I was 90.”

~~~~~

A man was telling his neighbor, “I just bought a  
new hearing aid.

It cost me \$4,000 but it’s state of the art and it’s  
perfect.”

“Really,” answered the neighbor. “What kind is it?”

“Twelve thirty.”

~~~~~

Morris, an 82 yr. old man, went to the doctor to
get a physical.

Later, the doctor saw Morris walking with a
gorgeous young girl on his arm.

At his next appointment, the doctor said to Morris,
“You’re really doing great, aren’t you?”

Morris replied, “Just doing what you said, Doc, ‘Get
a hot mamma and be cheerful.’”

The doctor said, “I didn’t say that. I said, ‘You’ve
got a heart murmur; be careful.’”
